We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- be focused on resolution of the complaint, with the interests of the student involved at the centre
- act in good faith and cooperation

- behave with respect and courtesy
- respect the privacy and confidentiality of those involved, as appropriate

- recognise that schools and the Department may be subject to legal constraints on their ability to act or disclose information in some circumstances.

Complaints and concerns process for students

St Kilda Park Primary acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning.

St Kilda Park Primary encourages our students to raise issues or concerns as they arise so that we can work together to resolve them. Students with a concern or complaint can raise them with a trusted adult at school, for example, with your class teacher, education support staff, assistant principal and/or principal. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you.

You can also ask your parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carer complaints and concerns process is outlined further below.

Other ways you can raise a concern or complaint with us include:

- participating in our Attitudes to School Survey (for Grades 4-6)
- participating in Pivot surveys
- writing a note to a trusted adult

Further information and resources to support students to raise issues or concerns are available at:

Preparation for raising a concern or complaint

St. Kilda Park Primary School encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
  be informed by checking the policies and guidelines set by the Department and **Complaints process**

Raising a concern

St. Kilda Park Primary School is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to your child's teacher, Assistant Principal or Principal. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed. Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal, noting that formal complaints should be directed to a member of the school's leadership team.

Making a complaint

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

1. **Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
2. **Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
3. **Response:** Where possible, a resolution meeting will be arranged with the Assistant Principal/Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not appropriate. In this situation, a response to the complaint will be provided in writing.
4. **Timelines:** St. Kilda Park Primary School will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, St. Kilda Park Primary School may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, St. Kilda Park Primary School will consult with you and discuss any interim solutions to the dispute that can be put in place.

Resolution

Where appropriate, St. Kilda Park Primary may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, St. Kilda Park Primary School may also ask you to attend a meeting with an independent third party or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

In certain situations, and for very serious complaints it may be more appropriate to take these externally to the school and the department. Agencies including Victoria Police and Child Protection may be of assistance. External advice can also be sought from agencies including:

- Commission for Children and Young People
- Victorian Equal Opportunity and Human Rights Commission

Escalation

If you are not satisfied that your complaint has been resolved by the school, if your complaint is about the Principal and you do not want to raise it directly with them, or you suspect there is a breach or suspected breach by the Principal then the complaint should be referred to the Department of Education by phone on 1800 338 663, via the Enquiries form or by email at enquiries@education.vic.gov.au

St. Kilda Park Primary may also refer a complaint to the Department of Education (DET) South East Region if we believe that we have done all we can to address the complaint.

For more information about the Department's *Parent Complaints* policy, including the role of the Regional Office, please see: Parent Complaints policy.
